Shuttle Bus

For sides travelling from downhill to uphill, the Walk & Ride Shuttle Bus is a good way of avoiding the hard slog up steep hill. Stop 1 on the route is on Silver Street, just around the corner from the works and you should be able to catch the 12.50 or failing that, the 1.10. Get off at the Minster yard for easy access to all the uphill sites. A single adult fare is £1.50, under 15s 70p, under 5s and bus pass holders free.

See <https://lincolnbus.co.uk/special-services/walk-and-ride> for more details

Car Parking

Lincoln has more car parks than you can wave a stick at but prices vary up to £8.50 for an all day ticket. The cheapest car parks are Broadgate, County Hall, Lincoln College Sessions House, Sewell Road and Waterside North, all of which charge £3.30 for an all day ticket.

See <https://www.lincoln.gov.uk/resident/parking-transport-and-travel/parking/car-park-information-prices-postcodes-and-discounts/> for more details and a link to a map showing the locations of all car parks.

Museum

There is no dancing inside the museum this year but there *is* dancing on the space outside. There is now an admission fee to enter the museum for events, one of which is taking place on the date of our festival. I am hoping to be able to negotiate free access for dancers to use the toilet facilities. I will update on this with an email in due course.
